Woods

Cherry is an elegant, rich wood and is prized for its beautiful graining. It will darken with age. Pin knots and mineral streaks may be found in this handsome wood.

Maple has a smooth, uniformed grain which has helped to make this wood very versatile. This popular wood may also contain mineral streaks and curly graining.

MDF is engineered wood with extremely stable qualities, making it an ideal choice for painted finishes. The final result is a smooth and beautifully painted finish.

Jamestown Sand Wall Cabinets
Jamestown White Base Cabinets

Finishes

Stain

Century utilizes an environmentally friendly premium water-based UV cured finish. It provides a durable, lustrous finish while maintaining an overall consistent stain on the wood.

Paint

A water-based UV cured finish with an opaque color. Paint emphasizes and accentuates the rich detailing on each door which adds an elegant, classic look to the cabinetry.

Glaze

A hand applied finish added to painted colors. The glaze collects in the corners, grooved and recesses of the door to highlight the unique qualities. The look can range from subtle to dramatic depending on the door style selected.

Distressing

Stained Distressed features: applied distressing techniques like bird pecks and scratches. It is further accentuated by glazing.

Painted Distressing features: sand through technique which exposes the underlying substrate and replicates a time-worn effect.

Care and Warranty

Care & Cleaning Guidelines

The solid wood and wood veneer components used in the manufacturing of your cabinets are finished with Water-Based UV process, that will hold up to continuous use for many years. The materials used in the finishing process are specially designed to meet the most stringent industry performance standards for resistance to moisture, grease, soap, detergents, and food stains. The following guidelines and suggestions should help keep your cabinetry looking beautiful for many years.

Care & Cleaning Guidelines

Remove any oil, grease, or soil, using a clean damp cloth of mild soap and water. Rinse with clean damp cloth. Dry thoroughly with a soft lint-free cloth. DO NOT use steel wool, soap pads, polishing wax or cleaners containing bleach, ammonia, harsh detergents, and abrasives. All of these can remove the factory-applied finish and thus void the warranty. Routine cleaning can help prevent permanent damage from build up of grease and smoke. Excessive moisture can also damage cabinets. The most common areas for moisture build up are around the sink, range, dishwasher, oven and baseboard. Immediately dry surfaces with a clean cloth. Over time cabinet finishes may darken depending upon lighting and should be considered normal.

To Repair Nicks and Scratches

A touch up stick should have been included with your cabinets, if you don't have one, please contact your Century Cabinetry dealer. Rub the soft fill stick over the scratched area and wipe away the excess with a clean, soft cloth. Never use the sand paper or any other material to even out a scratch, as it will damage the finish, if scratches or nicks are still visible after using the touch up stick, a touch up marker can be supplied.

Care of Cabinet Interiors

Century Cabinetry's shelves are made of melamine laminate which is material resistant to scratches, stains, and water penetration. To remove food residue or grease, use any common dishwashing liquid (not detergent) or a solution of mild soap and water. Wipe clean with a clean soft damp cloth and dry thoroughly. Wipe up spills and dry immediately.

10 Year Warranty

Century Cabinetry, Inc. warrants its products to be free from defects in material or workmanship under normal use for a period of 10 years from date of purchase by the original consumer purchaser and is not transferable to subsequent homeowner. Should defects in material or workmanship arise during this warranty period, Century Cabinetry, Inc. will replace or repair, at its discretion, the defective cabinet, material or component.

This warranty does not cover products that are misused, abused, neglected, modified, improperly stored, incorrectly installed, or subjected to extremes in moisture or temperature.

The warranty covers only parts and materials of the products manufactured by Century Cabinetry, Inc. Not covered under this warranty are countertops, appliances, plumbing fixtures, etc. or labor costs to remove or re-install materials or related items such as plumbing fixtures, countertops and appliances.

Variations in color and grain are a natural characteristic of wood. Changes in color to finished wood and painted products can occur due to exposure to light and other environmental factors. These variations and color changes are not deemed defective and therefore are not covered under this warranty.

Variations in Century Cabinetry hand applied finishes and glazes is what gives each piece its distinctive look and these variations are not considered to be defects in material or workmanship.

Century Cabinetry may be modify product due to supplier availability and as changes or improvements are implemented, but is under no obligation to make these changes to previously manufactured product. If a warranty claim is filed after a product or finish becomes obsolete; Century Cabinetry reserves the right to honor the warranty in the following ways:

a. To replace the affected component with a new component of the same style.

b. To replace the affected component with any other component(s) to achieve a similar appearance with a style that is comparable in appearance with a style that is comparable in appearance, color, design construction based upon current product offerings.

If components are replaced, Century Cabinetry cannot guarantee that the finish of these items will match the finish and appearance of the original purchased components.

THIS WARRANTY IS THE EXCLUSIVE WARRANTY OF CENTURY CABINETRY AND IS IN LIEU OF ALL WARRANTIES, EITHER EXPRESSED OR IMPLIED IN NO EVENT SHALL CENTURY CABINETRY BE LIABLE FOR CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES RESULTING FROM THE INSTALLATION, USE OR FAILURE OF ITS PRODUCT.

Implied Warranties

This warranty is only valid in the United States of America. To the extent permitted by law, any implied warranties, including the implied warranties of merchantability and fitness for a particular purpose, are limited to the duration of this expressed warranty. This warranty excludes any incidental or consequential damages. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not be apply to you.

Making a Claim

To make a claim under this warranty, the purchaser must contact Century Cabinetry and report said defects. If you have difficulty obtaining assistance, write to Century Cabinetry Inc. 220 Philips Road, Exton, PA 19341. Attn: Customer Warranty/Service department.

Warranty Effective Date

This warranty is effective as of April 1, 2012 and covers all cabinets ordered on or after
